

This year's 8th annual Reelin' for Research tournament benefiting the UNC Children's Hospital and Childhood Cancer Research was indeed one for the record books!

With 60 boats competing, it was the team aboard "Coverage" that brought home 1st place. Comprised of physicians, family and patients from the UNC Children's Hospital, it seemed truly fitting that they should receive the Dylan Cup, named for a dear young friend of R4R who lost his battle with cancer in 2013. There is no doubt that Dylan was on stage with his mother, Sandi Price, as she presented the trophy to team Courage.

The Buzz Skinner winner, which is presented to the team that raises the most money beyond their entry fee, went to All-In who raised an astonishing \$94,000! When challenged by the second place team, Jim Dandy, to hopefully one day surpass their amazing total, All-In team captain, Danny Williams answered: "Bring it."

It's that kind of passion and generosity from everyone involved with R4R: our sponsors, volunteers, donors and anglers, which led to the biggest check presentation in R4R's history of \$457,000! It's humbling and, if we're being honest, still quite unbelievable to think that this tournament, which started just 8 short years ago as

a way to honor the life of a beloved father while hoping to do a little good in the process, went from raising \$30,000 that first year to over \$400,000 for the past 3 years in a row! The total amount raised is now nearly 1.9 million dollars, all to help treat and ultimately find a cure for childhood cancer. THANK YOU will never be enough.

### **Skinner Award Results**

<b>Amount</b>	<b>Team Name</b>
\$94,170.00	All In
\$20,340.00	Jim Dandy
